► Best achievement for country at Olympic Games held overseas

# Team China shines at Paris with record-breaking performance

**By Zhang Zhen in Paris, Yang Sheng and Lu Wenao in Beijing**

The Paris 2024 Olympic Games concluded on Sunday with Team China winning 40 gold, 27 silver and 24 bronze medals, and the result marked the best performance for Team China in the Olympic Games

**PARIS2024**

held overseas.

Chinese analysts said this proves that the success of Chinese modernization can bring not only economic growth, but also can benefit the development of public health, as well

as the environment for sports industries, and effectively energize "sports for all."

This is the core reason why so many talented young athletes can continuously emerge from China's 1.4 billion population in the past decades, and they can also break world records in sports that have been

dominated by the US and other Western countries for a long time, experts said.

### Making history

Counting from China's first Olympic gold medal in 1984 thanks to Xu Haifeng's shooting prowess, China

## Manila slammed for provocation, 'ignoring China's goodwill efforts'

**By Deng Xiaoci**

The Philippines has continued to neglect China's goodwill efforts to calm tensions by sending a Philippine Air Force aircraft to illegally enter the airspace over China's Huangyan Dao (also known as Huangyan Island) in the South China Sea on Thursday, and issuing a complaint on Saturday over the professional and legitimate actions by the Southern Theater Command of the Chinese People's Liberation Army (PLA) in response to such intrusion.

Chinese observers and military experts on Sunday slammed the Philippines' latest actions, calling them a petty attempt to constantly bolster Manila's victimhood narrative in the South China Sea. They emphasized that the Chinese military's response was unarguably responsible, restrained, and fully compliant with international laws and norms.

A Philippine Air Force NC-212 aircraft had illegally intruded into the airspace over Huangyan Dao in the South China Sea on August 8, interfering with China's regular training activities despite repeated warnings from the Chinese side, read an official release by the PLA Southern Theater Command on Saturday.

The theater command deployed maritime and aerial forces to identify, verify, track, monitor, warn and drive the intruding aircraft away in accordance with law. The operation was conducted professionally, with adherence to legal standards, theater command said.

China holds indisputable sovereignty over Huangyan Dao and adjacent waters. The theater command's troops remain on high alert, and are
